

Privacy children under 16

Conditions of participation and data protection for the participation of children from 16 years and younger in the 35th Hochstraßenlauf in Weisendorf

I declare as parent/legal representative that my child participates in the announced sports event at its own risk and that it is sufficiently trained and healthy for the competition.

The liability of the organizer for his own fault and that of his vicarious agents is excluded to the extent permitted by law - i.e. subject to the statutory provisions on liability for intent and gross negligence and for injury to life, limb and health. The sponsors as well as the municipality/city/community of the organizing club are not liable.

I agree that the personal data mentioned in the registration will be stored and processed as long as it is necessary for the realization of the event. Furthermore, I allow the data to be published on the official starter list and in the results portal. In case of a group registration I assure by agreeing to these conditions of participation that I have the corresponding permission from all parents/legal representatives of the group participants.

I give my permission for photos, film recordings and interviews taken of my child at the event to be used in radio, television, advertising, books and photomechanical reproductions by the organizer without any claim to remuneration on my part. Commercial use by the association or third parties is not covered by this consent.

I am entitled to revoke the consent contained herein at any time - this would result in the expiration of my child's eligibility to compete or the deletion of the results data.

I assure that the given date of birth is correct and that the start number will not be passed on to any other person. I am aware that my child will be disqualified if the official start number is changed, in particular if the advertising print is made invisible or unrecognizable or if he/she is accompanied by persons on sports equipment (inline skates, bicycles or similar).

Running events are organized according to the regulations of the German Athletics Association (DLV).

With the registration, the parent/legal representative for the child recognizes the competition rules as well as the legal and procedural regulations, the disciplinary regulations and the conditions of the organizer/organizer according to the announcement as binding for him/herself.
